

# How To Create a Paypal account that Sends and Receives money In Nigeria

This E-book will guide you on the procedures to get a Paypal account that sends and receives money over here in Nigeria Without the aid of any VPN,

It's unfortunate that the Paypal payment system placed a ban on Nigeria as it concerns using their platform as a payment gateway, this restriction has really dealt with most entrepreneurs in Nigeria as most of our business partners, online payment options only pay through paypal,

## How To Create Paypal account that Sends and Receives money in Nigeria

To create a PayPal account that receives and send money in Nigeria your need to adhere to the instructions below promptly every bit of it is important

Running a verified PayPal account that receives send PayPal funds in Nigeria is not that easy however South Africa PayPal account open with my method will do the trick, The method I'm going to share with you today is a new and very scarce, it's no way on the internet, you can easily verify your account with your Nigeria debit (ATM) card and the most interesting part, you are good to go with your Nigeria IP Address!

### **This Paypal Account Can:**

- send and receive cash from anyone and anywhere.
- pay for products and services on sites that accept PayPal.
- collect my earnings from Fiverr and other freelance websites.
- Be accessed with a regular Nigeria IP anytime, any day and anywhere.

### Requirements For This paypal account:

- Valid email address
- Nigeria Naira or Dollar Master Card
- Valid Nigeria Identity Card - National ID card, voters card, or Driver's License or Passport(very important)
- Your Real Nigeria Address, I mean the one on your ID Card.

## How To Create South African Or Lesotho Paypal Account In Nigeria

- Visit [paypal.com/za](https://paypal.com/za) for South Africa or [Paypal.com/ls](https://paypal.com/ls) for Lesotho and click on the Sign-Up, select business account and create an account there. input your email, Fill in your detail and don't forget to choose South Africa as your Country or region. Now provide your business name, it should be the name in your ID
- Select Nigeria on the mobile number column, Input your real Nigeria Phone number, which is easily accessible(It's very important)
- On the business address use the address on your ID card, but don't put Nigeria
- Google search names of cities in South Africa or Lesotho and input it on the city/town column
- Also google search the postal code of the city you choose and paste it on the postal code column
